RESPONSE TO NOTICE OF INACTIVITY AND STATUS REPORT (2:20-mc-0030 RSL) - 1

1 On May 11, 2020, this Court issued a Writ of Execution (Dkt. 5). Since that date, Judgment
2 Creditor has been diligently attempting to coordinate the execution of the writ, including with the
3 U.S. Marshal's Office. Unfortunately, the execution of the writ has been delayed as a result of
4 office closures, risks and other obstacles associated with the COVID-19 pandemic.
5

6 The U.S. Marshal's office more recently informed the Judgment Creditor that a Judgment
7 Creditor representative will need to accompany the U.S. Marshal in executing the writ. Given the
8 continued significant health risks and travel disruptions associated with the highly transmissible
9 COVID-19 omicron variant, Judgment Creditor requires additional time to coordinate the
10 execution efforts with the U.S. Marshal's office in a safe manner.

11 For the reasons set forth above, Judgment Creditor respectfully requests that the Court
12 allow Judgment Creditor an additional 180 days to coordinate the execution of the writ.
